

## **RICKINGHALL DAY CENTRE 2020**

We have gone from strength to strength this year with a good steady turnout, as there has been no severe weather to deter us.

We have had to slightly increase the lunch money to cover some extra costs and at our members request there are now two raffles per month which everyone enjoys.

Donations have increased thanks to the generosity of the Parish Councils, WI, Starwings Brewery, Country and Western dance group and one of our members. We are also grateful to those who run Park View Chapel for allowing us to use it for two of our meetings whilst building work was being carried out at the village hall.

Sadly, the last two sessions of our financial year had to be cancelled due to the Coronavirus but we are all keeping in touch and it appears that all are coping well, hopefully we can meet up again before too long.
