

## **RICKINGHALL DAY CENTRE REPORT 2023-24**

The Wednesday Day Centre goes from strength to strength with a full membership and waiting list, plus a good handful of willing volunteers.

We are helped by a yearly donation from both parish councils and a monthly grant from Suffolk CC.

We also once again received a very generous donation from Keith and Kathy Double which they raised at their Country and Western dances, which helps to keep costs down for our members.

We must also thank Gordon and his minibus team who we keep busy most Wednesdays.
