

RICKINGHALL RELIEF IN NEED TRUST FUND 2020

Under the Chairmanship of Reverend Chris Norburn, the trustees meet twice a year to ensure this long-standing Fund continues to run.

Two new trustees have recently joined the committee following the stepping down of Liz Draper and Sue White after a 15 and 5-year term respectively. Thank you to them both for all their hard work.

There have been no applications for help during the last 12 months, but it was agreed at the October 2019 meeting that a Christmas gift would be given to a small number of deserving people living in Rickinghall. This was extremely well received.

A further appeal for new applicants will be made in the Parish Magazine shortly.
