

## **MILL LANE ALLOTMENTS ASSOCIATION 2020**

This year did not start very well for us, it was very cold early on in the year and when it did turn warmer it was also very dry. Nevertheless, we all set about getting on with the job in hand. Later on in the year most allotment holders had managed to get a reasonable crop for their endeavours.

This year we were caught out by a burst water pipe underground that was not discovered until it had been leaking for some time, hence our water bill was more than doubled this year. The problem was resolved with the help of other members of the committee. We had our usual BBQ which was well attended by our association and the families and friends who were invited.

I'm sorry to have to say that due to health issues I was unable to fulfil my term as chairman, but the vice chairman and the secretary stepped into the breach and carried out the rest of the year with no complaints from anyone, (most thankful to them both). As the year drew to a close, I'm sure all allotment holders were very pleased with what they had achieved and were looking forward to the coming year.

It is with great regret that I have to step down as chairman and also remove myself from the committee, and I would like to thank the committee and all the allotment holders for the support they have given me during my time as chairman, and wish them all the very best in the future.

Maurice Smith  
Chairman, Mill Lane Allotments Association
